Plant Food

Monty’s® PlantVantage™
All Purpose Plant Food 6-11-5
Landscape professionals across the country use this plant food formulation for all of their indoor and outdoor plant needs. Try it and see the difference. Monty’s All-Purpose Plant Food can be used on all plants including trees, shrubs, flowers and vegetables from emergence through maturity, when general growth and overall plant vigor is desired. A general use, all-purpose plant food. Easy application - root feed or spray-on.

Monty’s® PlantVantage™
Fruit & Vegetable Plant Food 4-5-2
Used by commercial produce growers across the country to maximize fruit and vegetable production from planting to harvest. Monty’s Fruit & Vegetable Plant Food can be used on all fruit and vegetable producing plants. Promotes a balance of growth and production. Easy application - root feed or spray-on. Contains NPK with Boron and Zinc. Derived from Ammonium Hydroxide, Urea, Phosphoric Acid, Potassium Hydroxide, Boric Acid, and Zinc EDTA.

Monty’s® PlantVantage™
Premium Root & Bloom 2-15-15
Monty’s original 2-15-15 formula for promoting abundant and vibrant blooms! Monty’s Premium Root & Bloom can be used on all flowering plants including trees and shrubs to promote abundant and vibrant blooms. It is also an effective product for use at planting and transplanting for enhanced root development. Can also be used on house plants and ferns. Contains NPK with Zinc and Iron. Easy application - root feed or spray-on. Derived from: Ammonium Hydroxide, Urea, Phosphoric Acid, Potassium Hydroxide, Iron EDTA, Zinc EDTA.

Plant Food

Monty’s® PlantVantage™
Premium Growth 8-16-8
Monty’s original 8-16-8 formula for promoting growth with larger leaves and stronger stems! Monty’s Premium Growth can be used on all plants including trees, shrubs, flowers and vegetables from emergence to bloom stage, or maturity in non-blooming plants, when overall plant growth is desired. Provides a nutritional boost when applied. Easy application - root feed or spray-on. Contains NPK with Zinc and Iron. Derived from: Ammonium Hydroxide, Phosphoric Acid, Urea, Potassium Hydroxide, Iron EDTA, Zinc EDTA.
Plant Food

MYKE® FLOWER Natural Growth Enhancer
Designed to intuitively nurture, protect and enhance the health of your flowers while preserving the environment, MYKE FLOWER delivers the most out of gardening! Find in MYKE the natural way to grow luxurious, long-lasting flowers. Contains seaweed, a natural source of micronutrients. For use when planting annual and perennials in pots, flowerbeds and flower boxes. Exception: orchid, rhododendrons, carnations, kochias, alyssums, azaleas and lupins cannot be colonized by the fungus contained in MYKE FLOWER. OMRI™ Listed.

Organic Insect Control

St Gabriel Organics® Insect Dust - Diatomaceous Earth
100% food-grade diatomaceous earth. Kills crawling insects by cutting into exoskeletons and dehydrating them. All natural ingredients are not harmful to pets or the environment. Keeps killing insects for nine months. Can be used indoors and outdoors, as a barrier application, in the kitchen or in pet areas. Insect dust controls ants, ticks, fleas, cockroaches, earwigs, millipedes and other crawling insects.

Insect Control

St Gabriel Organics® Milky Spore Grub Control
Kills the grub stage of the Japanese Beetle. Natural bacteria eats the grub from the inside. Milky Spores don't die, they just multiply and accumulate in the soil lasting for years and the benefits are guaranteed for 10 years. Milky Spore is organic. Just one spore consumed by a grub will multiply into 3 billion new spores when the grub dies. Apply anytime the ground is not frozen. Not harmful to man, animals or the environment. Does not harm beneficial insects. Safe for use around waterways.

Milky Spore - Granular
Requires 6 Applications, Three per Year, Spring, Summer & Fall / 20lb Bag - Covers 7,000sq ft

Weed Control

**Concern® Weed Prevention Plus® 8-2-4 with Corn Gluten Meal**
Stops weeds before they get started. Provides pre-emergence control of crabgrass, dandelions and other common weeds. For use in flower gardens, vegetable gardens and in landscaping areas around trees, shrubs and ornamentals. Safe for children and pets when used as directed. Made exclusively with 100% corn gluten meal.

**Ringer® Lawn Restore II® Fertilizer 10-0-6**
Will green your lawn up quickly, usually within 3-5 days and will last up to 8 weeks. Extremely effective on established lawns, while it is also ideal for helping new sod or seed establish root systems. The 0% phosphate formula is made from a combination of ingredients including high-quality protein meals. Contains no manures and no has no manure odor. Can apply any time during the growing season and it will not burn grass.

Moss, Mold & Algae Control

**Wet & Forget® Moss, Mold, Mildew & Algae Stain Remover**
A unique combination of biodegradable selective surfactants for moss, mold, mildew and algae removal on any exterior surface. When diluted with water and applied, it immediately begins to work. Each time it rains, this safe, cleansing combination gently removes the moss, mold, mildew and algae without scrubbing or rinsing.

**Wet & Forget® Miss Muffet’s Revenge Spider Killer**
A long term exterior and interior spider control. Creates a barrier to spiders. Can stop cobwebs for up to 12 months. Comes as a “ready to use” with its own applicator (has jet and spray nozzle adjustments).

Weed Barriers

**Warp’s® NO-HOE® Garden Mulch**
Sun-resistant black plastic specially formulated to block light and stop weeds. In Spring the black mulch absorbs the sun’s warmth and transfers to the earth. Also holds moisture through the heat of the summer. Made in the USA.
