## Keepsake Hydrangea are the essence of elegance and beauty.

Abundant, billowing blooms create a stunning accent for any home décor, entryway or patio. The ideal gift to share one's gratitude and heartfelt feelings.

**NEW! Hydrangea Hot Red Purple** (USPP #19726)  
Mop head that is equal to Hot Red in all respects, except it's striking new color. Mid response and compact habit. Fascination is usually needed for 6" pots.

**NEW! Red Angel®**  
Pretty red-pink coloring. A distinctly different color than Early® Rosa and Pink Sensation. Bigger plant than Hot Red with similar bloom count. Fascination not required. (Non HBA variety)

**Pink Sensation** (USPP #19731)  
Our number one variety, and for good reason, It has good breaking action, strong stems, large mop-head flowers and uniform growth. Petals have a unique quilted appearance.

**Early® Rosa** (USPP #16441)  
Darker pink, and an earlier response, than Pink Sensation with the excellent breaking action of Early® Blue.

**Early® Blue** (USPP #16441)  
Our number-one blue due to an early-mid response with excellent cane count and easy-to-control habit, requiring less PGR than Bela.

**Bela** (USPP #16099)  
Blue mop head. Taller than Early® Blue with minimal cane count. Requires PGRs, which delays its natural response. Best for larger pots. Does develop occasional reversions to a blue lacecap form.

**Hot Red** (USPP #19726)  
Bright red mop head with a mid response and compact habit. Fascination is usually needed for 6" pots.

**First White** (USPP #16204)  
Early White mop head with large flowers. Expands foliage rapidly, so best for 6" pots or larger. Usually requires PGRs for height control.

**Vanilla Sky** (USPP #23802)  
Large cream-white mop head, opens to pure white. Early response like First White and more compact growth. Requires less PGRs than First White.

**Bavaria** (USPP #21320)  
Blue/white bicolor mop head with mid response. Requires PGRs for height control.

**Tivoli** (USPP #19730)  
Dark pink to red mop head with white picotee petal margins. Compact habit and late response.
