Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

Malmborg's Ordering Information

Minimum Order: Our minimum order is two boxes of any combination of product per shipment. There is a \$20.00 additional charge for any order under minimum.

Packaging:

- Preforma 26 strip is sold as 25. They are shipped in multiples of 100. This packaging setup will allow us to put 100, 200, or 300 in a box. That determination will depend on the product size at shipping time. Most all products in the Preforma 26 strip will be shipped 300 in a box. A minimum order will be 300 plants if only the Preforma 26 strip is ordered. Once 300 plants are ordered the increments will be every 100 plants for even boxing for shipping freight. Please remember that for customers either picking up product or having it delivered by Malmborgs/Wagners, those orders do not have to be multiples of 100.
- Kwik Kombos are now being rooted in a larger Preforma plug in multiples of 17 per strip. This 17 strip has the same width and length as the above mentioned Preforma 26 strip. These strips can be combined with packaging with the Preforma 26 strip.
- Ellepot 18 and 24 strips (both Ellepot 18 and the 24 strips are ½ the width of a standard tray) are shipped in multiples of four strips. Each box contains four strips of any of these Ellepot strips. These cannot be combined in the boxes with the Preforma 26 strip or the Kwik Kombo 17 strip. A minimum order of only these strips would be 8 strips to fill two boxes. When combined with other items for even boxing for freight, every order must have increments of four strips of any of the items in these categories.
- Assortment trays are true size flats and will ship two per box. This tray uses the same box as Ellepot 18 and 24 strips. A single assortment tray can be combined with two Ellepot 18 strips or two 24 strips to fill a box.
- What would be a minimum order when combining different trays? If you have 4 strips of either the 18 Ellepot or 24 strips, then you would need 8 strips (200 plants) of the Preforma 26.

Tags: Malmborgs will provide one label for each plant purchased, whether or not the plant is patented. You can limit the number of labels on an order to a ratio of the number of plants ordered. The minimum ratio is 1 label for 5 plants (in multiples of 25 labels) for patented varieties and zero for non-patented varieties. The label is included in the price. If requesting a reduction in labels, the label cost will then be deducted from the invoice.

Volume Discounts: Volume discounts are based on the quantity of plants shipped to each customer/ship-to for the entire prior liner season (poinsettia, spring liners, mums & asters are included).

Volume 1	Volume 2	Volume 3	Volume 4	Volume 5	Volume 6	Volume 7
0-2999	3M-9,999	10M-29,999	30M-74,999	75M-199,999	200M-499,999	500M+

Lead Time for Cancellations/ Additions: Order revisions or cancellations will be accepted up to eight weeks prior to the scheduled ship date.

Shipping Information: Please contact your Plant Connection sales rep for a freight quote. Federal Express shipments are shipped second day unless requested otherwise. There is a winter pack (Styrofoam lining of box) charge of \$5.82 per box for shipments that require cold protection. This will occur from week 1 through week 13 approximately for those orders that are shipped either FedEx or Air. Pick up orders must be scheduled in advance with Malmborg's Shipping Department.

- Pick up orders must be scheduled in advance with Malmborg's Shipping Department. Post cards will be sent a week in advance to notify customers of their pickup date and if date changes are needed, customers must contact the Malmborg's shipping department.
