Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.
