Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

Ordering Information

Minimum Order:

- 4 trays for rooted orders.
- 600 Unrooted cuttings (100/variety)
- Unrooted cuttings and rooted cuttings need to be ordered separately.
- Orders below minimum will be charged \$8 per missing tray for a rooted order and \$5 per missing 100 plants for unrooted orders.

Tray Sizes Available: North Carolina Farms offers rooted cuttings in 105 cell trays billed as 100 or 72 cell trays billed as 70 or 288 cells billed as 280.

Winter Packing: If the weather is cold, we may choose to use an insulated box for shipping. There is a charge of \$6.82 per box for shipments that require Styrofoam insulation.

Lead Time for Cancellations/ Additions: Whenever possible, please book orders at least six weeks in advance – especially during winter months – so we have time to custom-grow the plants. All changes need to be submitted by Tuesday of the week prior to shipment. Notification of cancellations of rooted material must be received two weeks prior to the production time (typically eight weeks before ship date); unrooted cancellations require at least one full week's notice.

Tags: are available upon request. If you would like tags for any item, please let us know at the time you place an order. The cost for tags is for units of 100. Custom quantities below 100 are per tag. Some varieties only have generic tags available.

Assortment Trays: Our assorted trays are 3 varieties per tray on our 105s and 2 per tray on our 72s (not available for 288s). A standard assorted tray is offered at 14 cents higher than the list price of that individual plant and includes our choice of plant material within each plant family. We offer customers the ability to choose the varieties included in their assortment for an additional 5 cents above the assorted price (19 cents above list price). This gives smaller customers the ability to order as few as 35 per variety and get a much larger assortment in their shipment. We can mix families in an assorted tray, so if a customer wants to get 35 each of Lantana, Coleus, and Impatiens, we can get them all in the same tray.

Boxing: Boxing is in units of 2 trays, so orders pack best as 4, 6, or 8 tray boxes. The 8-tray box is recommended as it is generally handled better by the carriers.

- Unrooted cutting orders will have a boxing fee of \$4.55 per box added to the invoice
- 4-tray box is usually 24"x22"x9"
- 8-tray box is 24"x22"x17"
- Weight is approximately 5 pounds per tray

Shipping Information: Please contact your Plant Connection sales rep for a freight quote.

- Grower truck delivery may be available. We will automatically move orders to delivery when possible. Charges vary per order but are often cheaper and consistently safer than third party carriers. We do not set a standard truck route, but instead create routes weekly based on the orders booked for each week. UPS and FedEx are our primary methods of shipping. Rooted cutting orders are shipped to arrive in 2 days. All unrooted cutting orders ship to arrive overnight.
- Customer pickup is available Thursday and Friday only, for the months of January through April. All other times of the year pickup is available Monday through Friday. Please have the customer call at least 48 hours prior to coming so that we can have the plants ready for them when they arrive

Note: Sometimes we are asked to combine multiple orders for the same customer into one box. This can be extremely hard to accomplish on a busy week when we have hundreds of orders going out. If orders must be combined, please combine them into one PO so that we can combine them into one order in our system. This is the only way we can guarantee that they ship together. URC and Rooted Cannot be ordered or ship together
