Please note any damages due to carrier mishandling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to ensure your order is processed in a timely manner, we cannot be held responsible for the quality, condition, or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

Off-Season Ordering:

- Each variety/color ordered would need to be ordered in 2 tray increments. *Except for: Assorted Succulents, Cordyline, and Pennisetum Red Rubrum (these are offered year-round but are based on in-house availability; any quantity can be ordered)*

- Our current pricing will hold until week 39

Back orders:

- However, when time allows, every effort will be made to contact the broker and/or customer of these changes and back orders prior to shipping.

Shipping Information: *Please contact your BFG sales rep for a quote.*

DGI No longer ship to Idaho or New Mexico due to their State Dept of Ag regulations.

- **Customer Pick up:** Products are available Tuesday through Friday from 8:00 am to 4:00 pm or by appointment for after-hours pick up during the busy Spring season. During the off-season, products are available Tuesday through Thursday 8:00 am to 4:00 pm, or by appointment for after hours. DGI will call customers on the Wednesday, Thursday, or Friday of the week prior to schedule an available date and time for pick-up. If the customer does not pick up their order two days after their scheduled time, a \$25 re-benching fee will be added to the order. Customers have the option to have the product boxed. Pricing is \$1.78 per box, 2 trays per box.
 - *Note: we do not offer Self-Serve pick-ups unless pre-arranged. Customers must ring the bell inside CPU entrance and wait for assistance from a DGI employee.*
- **UPS:** We use UPS exclusively except for Fairbanks, Ak. All shipping utilizes one and 2 day for all shipping options. DGI has the right to hold shipment or send it out dependent on the weather conditions either at DGI, enroute, or at the customer location. Note the boxing charges, insulation, and any additional Phyto charges may be applied depending on the state. Ask Rep for pricing.

- **Grower Truck:** Weekly delivery is available from January through April, subject to appropriate volumes to generate routes. Check the scheduling map in the back of our catalog for the weeks available and minimum trays required for delivery in your area. We typically create routes for delivery between normal business hours of 8am to 5pm but may request to drop earlier or later to make the most efficient routes. We contact customers directly the week prior to let them know the scheduled day for their Grower Truck delivery. If the customer is not present at the time of delivery, our driver will try to phone the customer, otherwise the driver will try to find a warm spot to put the plants, if possible. Easily visible signage to direct drivers where to leave the plants is also appreciated.
 - After April, Grower Truck delivery may also be an option depending on area orders and volumes.
 - Temperature controlled LTL Freight may be available depending on volume – please contact us at least 10 days prior to ship week for a possible quote.

Returns:

- Due to the clean stock protocol, no plants will be accepted for return.
