Apollo Wall Mounted Flower Tower

The Wall Tower allows you to create towers of blooms, to adorn walls, fences, sign and mailbox posts. Unlike flimsy hanging bags, the Wall Tower is specially designed using recycled plastics, and formed with a flat rear side to mount flush against any surface. Two top mounting holes make it super easy to hang. Insert 12 standard sized nursery plants into the preformed holes at the varying levels on the planter. Inside this amazing planter is an internal watering tube, with graduated sized holes at varied heights. This allows you to water from the top opening, and lets the water reach evenly throughout the tower, ensuring healthy blooms from top to bottom. You can also fertilize the roots via the very same internal tube system. Size 24"L x 5"W. Made from PP.

Patio Planters

Mayne® Fairfield Patio Planter

The look of wood without the upkeep. This durable construction offers a low maintenance solution and cleans with just a simple rinse of a garden hose. A built-in water reservoir encourages healthy plant growth by allowing plants to practically water themselves. These molded plastic planters are made from 100% high-grade polyethylene. The weather-proof and ultra-tough construction allows you to enjoy your planter all year long with very little winter preparation. The UV inhibitors within the resin allows for a long lasting, fade-free performance.

SunBulb® Better-Gro® Wooden Baskets

Traditional Better-Gro® Wooden Baskets offer the ideal growing solution for epiphytic plants, such as orchids, bromeliads, and ferns. The thick aerial roots of epiphytic plants pass easily through the slats and adhere to the natural wood surfaces of the basket. Better-Gro® Wooden Baskets allow for the perfect display of orchids with pendulous flower spikes. Constructed of recycled hardwood, wooden baskets are not only beautiful, but are environmentally friendly. The baskets feature zinc plated hardware.
