Bird Feeders

Aspects® Quick-Clean Nyjer® Tubes

Quick-Clean® Feeders combine heavy die-cast metal caps and bases with a clear UV stabilized, polycarbonate tube to make these feeders an investment that lasts a lifetime. A built-in seed deflector in the base allows birds to remove every last seed. To remove the base all you need to do is push the buttons and the base easily slides out! When a seed tray is attached, simply remove the base for cleaning with the tray still attached. It is one easy step that makes cleaning your feeders a snap!

 Min. Buy 4EA **Retail** \$26.95

Birding Accessories

Aspects® Round Seed Tray

Aspects' Round Seed Tray works well on a pole-mounted feeder as well as on a hanging feeder. Trays can be used on the feeder mounted on a 1/2" side pipe threaded on one end. It is suggested to use a 6 to 7 foot length of pipe. Adding a seed tray will allow more of the seed to be eaten at the feeder and less scattered on the ground. This seed tray will work with any standard size Aspects Quick Clean feeder.

8.5in diameter

ASP050-763 **UPC** 026451116121
 Min. Buy 6EA **Retail** \$11.45

Hummingbird & Nectar Feeders

Aspects® Nectar Guard® Tips

Easily slide onto the feeding ports on the underside of the feeders cover. The flexible membrane in the center of each tip easily opens when hummingbirds insert their beaks to feed and close up tight when beaks are removed. These create a barrier flying insects can't penetrate.

Squirrel Feeders & Food

Classic Corn Cob Squirrel Feeder

The perfect way to feed squirrels and little critters. Feeding squirrels is fun and entertaining, and placing squirrel feeders well away from bird feeders helps lure racketeering rodents away from birds' seed. With its durable metal construction, 1 ear of corn capacity and weather-resistant finish, means quality squirrel feeding. For optimal squirrel distraction, position feeder at least 15 feet away from your bird feeders.

Bird Feeders

Classic Abundance Hopper Feeder 3.5lb Capacity

The Abundance Songbird Feeder can accommodate a large quantity of bird seed allowing you to attract an abundant amount of birds! And by selecting which seed to serve, you Choose Your Birds. Stay Full Ports ensure that seed is evenly distributed, even when the seed gets low. All six feeding stations can accommodate mixed seed or use the thistle inserts to serve Thistle/Nyjer (insert included). The perches are adjustable to fit different sized birds allowing you to control who visits your feeder. The large, wide mouth tube is easy to fill and easy to clean.

Classic Squirrel X8 Squirrel Proof Feeder

Spring-mechanized out sleeve blocks port access when weight is applied to top and/or perches. Elegant and simple design. Four perches attract multiple birds at once. Durable cable rope integrated hanger. Elongated tube makes it difficult for squirrels to access ports from top. Cap integrated with design so squirrels cannot open feeder.

Classic Mirage Hummingbird Feeder 4 Ports

This mid-century modern bottle puts a new twist on hummingbird feeders. When it is hung, it will twist and turn when birds land on it for a drink, or when the wind starts moving. When this feeder moves, you will be mesmerized by the way this bottle reflects and interacts with the sun. The four perches allow your small friends to sit comfortably and eat from any of the four ports. The base comes apart in two pieces, and the bottle has a large opening for easy cleaning. You can remove the included S hook and lay the feeder upside down without difficulty to fill the feeder easily.

COLE'S

THE BETTER WILD BIRD FEED

Suet

Coles Blue Ribbon Blend™ Suet

A "better" all-purpose soft suet that attracts the largest variety of songbirds. Full of much needed calories and fiber, Blue Ribbon Blend™ suet cakes are a great substitute for insects during the fall and winter months.

11.75oz

CWBBSU-184 **UPC 751478100128**
Min. Buy 12EA **Retail \$1.99**

Coles Hot Meats™ Suet Cake

Chili pepper suet mixed with sunflower meats! Cole's famous best-selling seed presented in a no melt suet cake that's guaranteed to attract more wild birds to your suet feeder. Great for year-round feeding. An absolute favorite of bluebirds along with robins, buntings, nuthatches, catbirds, finches, cardinals, and warblers galore.

11.75oz

CWBHMSU-278 **UPC 751478101422**
Min. Buy 12EA **Retail \$3.99**

Coles Natural Peanut Suet

This special no-melt formula wins taste tests hands down. With the peanut butter base that birds prefer, it's two steps above your average peanut suet. Great for year round feeding!

11.75oz

CWBNPSU-203 **UPC 751478101927**
Min. Buy 12EA **Retail \$2.99**

Coles Special Feeder Suet

Chock full of pecans and peanuts, it's a shoe-in to be your woodpecker's favorite suet. It is best served during the cooler months of fall and winter.

Bird Feeders

Coles Bountiful Bowl™ Feeder

Want to feed the birds without worrying about what seed goes in what feeder? Then the Bountiful Bowl™ feeder is for you! Its compact, adjustable size lets you offer a wide variety of tasty meals for your feathered friends without a lot of work. It comes with an adjustable dome cover that can be raised or lowered to prevent larger birds and squirrels from getting to the seeds as well as help protect the food from rain or snow. The Bountiful Bowl™ Feeder is yet another great starter feeder because it is the easiest Cole's feeder to fill and hang. It holds virtually any seed or suet product.

Tray diameter = 8 1/2in, Dome Diameter = 12in

Squirrel Feeders & Food

Coles Critter™ Munchies

When Critter Munchies™ was created years ago there was nothing else like it. Today it's still the ideal mix for people who like to feed nature's little critters – or just distract them from the bird feeder! Works well in a platform feeder or scattered on the ground. Squirrels, chipmunks, deer, and rabbits can't get enough. Blue Jays and woodpeckers won't wait to steal a few bites too!

COLE'S

THE BETTER WILD BIRD FEED

Wild Bird Seed

Coles Blazing Hot Blend™

Blazing Hot Blend™ is a 100% all natural, chemical free way to increase the number of birds visiting your feeder. It combines a patented habanero chili oil formula with the most preferred seeds of backyard songbirds. This is a traditional mix designed to attract a maximum variety of birds and keep them coming back with a fiery bit of spice! Woodpeckers, grosbeaks, buntings, cardinals, chickadees, bluebirds, goldfinches, and more find this mix irresistible. Works well in all feeder types including Cole's Terrific Tube™, Mighty Mesh™, and Bountiful Bowl™.

COLE'S

THE BETTER WILD BIRD FEED

Wild Bird Seed

Coles Hot Meats™ Seed

Hot Meats™ are a great no-waste, no-mess feed, with nutritious sunflower meats infused with fiery hot habanero chilies. Chili peppers are chock full of vitamins A and D as well as carotene and make an excellent natural source of nutrition for birds. The chili pepper plant evolved over time to be attractive to birds that make it a meal. Birds love the spicy flavor. Chili peppers may taste hot to mammals like people, but birds do not feel the heat. Bluebirds and cardinals are especially fond of the hot Cajun flavor. Works well in all feeder types including Cole's Terrific Tube™, Mighty Mesh™, and Bountiful Bowl™.

Coles Nyjer Seed

Niger Seed, often mistakenly called thistle seed, is a favorite of beautiful wild finches like the American goldfinch. This special seed is a great source of energy due to its high oil content. It is imported from Africa and sterilized upon entry to prevent germination. When served straight, it is best used in a specifically designed tubular feeder, like the Nifty Niger™ feeder, or "thistle sock" with small holes where it can be economically dispensed. Niger seed can be also be mixed with sunflower chips or hearts.

Coles Oil Sunflower

Black oil sunflower is the number one choice of almost all seed eating songbirds. Cole's Oil Sunflower is the absolute highest-grade black oil sunflower out there. It's over 99% pure and cleaned four times to ensure that you get more seed and fewer sticks. Plus, it's positively chock full of oil. You want as much oil in your sunflower as you can get because that's what attracts the birds. So, our high-grade, high-oil sunflower means more birds at your bird feeder. Works well in all feeder types including Cole's Terrific Tube™, Mighty Mesh™, and Bountiful Bowl™.

Min. Buy 1EA **Retail \$23.29**

Coles Safflower Seed

Once known as a favorite of Cardinals, Safflower is also a lifesaver for those of you having trouble with squirrels or large "nuisance" birds. Since most squirrels and blackbirds don't like the bitter taste, it is an easy way to send a message to any undesirable visitors. So if you're tired of feeding more squirrels and annoying flocks of "squawkers" than beautiful songbirds, Safflower is definitely for you.

Coles White Millet Seed

White millet is the number one choice of most ground feeding birds. Additionally, indigo buntings seem particularly attracted to it. Throw it out on the ground straight or mix it with other seeds such as oil sunflower to create your own unique blend. Works well in a platform feeder or scattered on the ground. Not recommended for tubular or mesh feeders unless mixed with other seeds. Attracts indigo buntings, towhees, juncos, song sparrows, white-throated sparrows and doves.

Wild Delight® Advanced Formula® Sizzle N' Heat® Bird Seed

A premium hot blend designed for BIRDS ONLY. Industry studies show that Squirrels are listed as the #1 reason for people leaving the bird feeding category. Squirrels dominate feeders, create a mess and eat much of the seed, nuts and fruits. After much development and product testing, we created Sizzle N' Heat®, a squirrel deterrent product. While this is not a squirrel proof product, our studies showed it to be a very effective squirrel deterrent. While squirrels may still visit and feed at feeders, once they get a taste of the hot seeds, most will look for other sources of food. As with any Wild Delight® product, ensuring the best bird feeding experience is the #1 goal. So Sizzle N' Heat® is filled with the same highly desired ingredients birds love, with none of the filler ingredients. Made with chili peppers, a strong irritant. Keep out of reach of children. Avoid contact with eyes, nose, and skin. Wash hands thoroughly after using.

Bird Feeders

Droll Yankees® A-6RP Classic Sunflower Feeder with Ring Pull Advantage

The A-6F Classic Bird Feeder, invented in 1969, was the first tubular bird feeder. This updated version, A-6RP Classic Sunflower Bird Feeder, stays true to the iconic classic while adding the Ring Pull Advantage feature for easy cleaning. Simply pull the ring to disassemble the feeder in seconds - no tools needed! Ports for all seed types protect the tube against squirrel damage. Detachable cap allows removal of all parts. UV-stabilized polycarbonate tube. Durable metal parts that resists damage from squirrels. Made in the USA.

Silver - 1lb Capacity, 6 Feeding Ports, 5.5in Diam x 20in H

Bird Feeders

Droll Yankees® Domed Cage Sunflower/Mixed Seed Feeder

Squirrel proof caged feeders provide the best of both worlds; protection from unwanted creatures like squirrels and larger birds, and protection from the elements. Small songbirds easily fly in for safe feeding. The 10.5in diameter, black metal cage encases a 15in green tubular sunflower or mixed seed feeder. The 1.5in cage openings allow small songbirds easy access to the bird feeder while keeping out large birds and squirrels. The 15in clear polycarbonate dome shelters against the elements. The enclosed feeder is easy to remove for cleaning. Backed by Droll Yankees Lifetime Warranty Against Squirrel Damage.

Green - 1lb Capacity, 4 Feeding Ports, 15in Diam x 23in H

DROSDC-6450 **UPC 021964200619**
 Min. Buy 1EA Retail \$94.99

Droll Yankees® Classic Sunflower/Mixed Seed Feeder

Modern, updated versions of the original designs created by Droll Yankees founder Peter Kilham, inventor of the first tubular bird feeder in 1969. Polished, powder-coated finish won't chip or fade. Dependably durable UV-stabilized polycarbonate tube. Threaded base allows addition of a tray and other accessories. Long lasting metal parts resist squirrel chewing. Lifetime warranty against squirrel damage. Made in the U.S.A.

6.5in Diam x 26.5in H / 2.5lb Capacity / 6 Feed Ports

DROB7F-4932 **UPC 021964102005**
 Min. Buy 1EA Retail \$72.99

Droll Yankees® Cutest Little Chickadee Bird Feeder

4.5in diameter dish holds one cup of sunflower seed, mixed seed, fruit, or mealworms. 6in diameter dome offers weather protection and bird selectivity. UV stabilized polycarbonate construction so feeder lasts for years. Lifetime Warranty against Squirrel Damage!

0.5lb Capacity - 6.5in Diam x 9.4in H

Droll Yankees® Observer Window Feeder

Great basic window feeder. Open, clear construction allows for great bird views. Attaches securely to a window using 3 suction cups. Constructed of a sturdy polycarbonate plastic that stands up to the elements. 7 inch dish suitable for seed, fruit, mealworms, or suet. Backed by Droll Yankees Lifetime Warranty against squirrel damage. Proudly made in the U.S.A.

Clear - 0.5lb Capacity, 8in W x 4in L x 7in H

DROOWF-1264 **UPC 021964103705**
 Min. Buy 6EA Retail \$18.49

Droll Yankees® Bottoms Up® Finch Feeder

Goldfinches will feed upside-down, but House Finches won't! The 1 lb. capacity, UV stabilized polycarbonate tube keeps seed levels visible and is highly durable and long lasting. Small holes dispense tiny Nyjer seeds economically – birds pull seeds out individually like feeding from a flower! Six perch locations provide seed from a variety of angles so several birds can dine simultaneously. Sloped base keeps seed within easy reach of the birds. The die cast zinc top and base are powder coated in bright yellow, attracting finches to the feeder and adding a pop of color to the backyard. The feeder hangs by the stainless steel hanging wire or pole mounts via the threaded base. Lifetime warranty against squirrel damage. Made in the U.S.A.

Yellow - Thistle, 1lb Capacity, 6 Feeding Ports, 2.5in D x 16in H

Bird Feeders

Droll Yankees® Yankee Dipper® Bird Feeder

Prevent large birds and squirrels from eating all your bird food! You save money on seed when you use a Yankee Dipper Bird Feeder. The Yankee Dipper's weight sensitive perches encourage smaller songbirds to eat, while preventing all squirrels from feeding. Each perch is individually sprung and calibrated to collapse when approximately 2oz or more rests on the perch. The heavy metal cap fits snugly on the tube to prevent squirrels from lifting it to reach the seed. The long, clear feeder tube makes the seed visible to the birds, a proven advantage. Made of UV stabilized polycarbonate, it ensures long lasting durability. Its length and girth are designed to prevent squirrels from reaching the seed ports. An internal baffle design keeps seed flowing freely to the ports. Metal cap and base are powder coated.

Droll Yankees® Yankee Whipper® Squirrel Proof Bird Feeder

Curved perches designed with cardinals in mind. Birds, including cardinals, can perch and eat; squirrels on the perches cause them to collapse. Collapsible, mechanical perch rods are weight-activated using a patented design. Sturdy stainless steel wire will not rust. Metal cap fits snugly so that squirrels cannot pry it off. Seed tube is made of UV stabilized polycarbonate for durability. Tube is long enough so that squirrels can't hang down from the top and reach seed. Interior is properly baffled to direct seed to the seed ports. Metal parts are powder-coated with a beautiful evening blue finish. Lifetime warranty against squirrel damage.

Droll Yankees® Yankee Tipper Bird Feeder

Save money on seed with a squirrel proof Yankee Tipper Bird Feeder! The Yankee Tipper's 9in diameter, weight-sensitive feeding tray attracts ground feeding birds, but tips under the weight of a grey squirrel. Can hold the weight of up to four cardinals (about 8oz). The large tray also collects fallen seed and serves as a platform that allows multiple birds to feed simultaneously from the four seed ports. The heavy metal cap fits snugly on the tube to prevent squirrels from lifting it to reach the seed. The long, clear feeder tube makes the seed visible to the birds, a proven advantage. Made of UV stabilized polycarbonate, it ensures long lasting durability. Its length and girth are designed to prevent squirrels from reaching the seed ports. An internal baffle design keeps seed flowing freely to the ports.

Droll Yankees® Flipper Squirrel-Proof Feeder

The ONLY entertaining squirrel-proof feeder on the market! Its weight-sensitive, motorized perch ring attracts the songbirds you love, but quickly spins to flip gray squirrels off. Send squirrels on a wild ride and keep them away from your bird feeder. The Yankee Flipper has a motorized perch ring that is specially calibrated to go off under the weight of a squirrel. The perch ring will accommodate bigger birds, like cardinals and woodpeckers, but squirrels will be promptly discharged. The clear 21in UV stabilized polycarbonate seed tube is too long and large in circumference for squirrels to navigate. The seed is only accessible from the ports around the perch ring. The clear polycarbonate helps you keep track of seed levels. A heavy, snug fitting cap sits firmly in place atop the feeder and can only be lifted by humans, not squirrels. The Flipper's metal parts are powder coated in a lovely forest green that will resist chipping and fading. Hanging is a cinch with the sturdy stainless steel looped hanging wire.

 Min. Buy 8EA **Retail \$12.99**

Lyric® Cardinal Premium Sunflower & Safflower Mix

Formulated to attract cardinals. Birds with prominent, seed cracking bills, like cardinals, easily crack in-shell seeds like sunflower, safflower and buckwheat. These seeds preclude smaller birds with finer bills yet attract larger, colorful jays and cardinals. Contains black oil sunflower seed, striped sunflower seed, safflower seed, sunflower kernels and buckwheat. Only the finest and freshest ingredients. Scientifically tested, developed and marketed to appeal to a wide variety of wild birds. Free of fillers. Better seeds and better quality mean more birds at your feeder - again and again!

3.75lb

Lyric® Chickadee Premium Sunflower & Nut Mix

Formulated to attract chickadees. Chickadees are a lively group! These little birds tend to forage together with nuthatches and titmice in mixed flocks. They dwell in trees, and they relish sunflower mixes and tree nuts. Contains black oil sunflower seed, shelled peanuts, striped sunflower seed, sunflower kernels and tree nut pieces. Only the finest and freshest ingredients. Scientifically tested, developed and marketed to appeal to a wide variety of wild birds. Free of filler and waste. Better seeds and better quality mean more birds at your feeder - again and again!

 Min. Buy 1EA **Retail \$36.99**

Lyric® Delite No Waste Mix

Many people are reluctant to feed wild birds during the warm months because the bird seed germinates and causes weeds. Bird food shells make decks, patios and lawns unsightly. This mix is waste-free, mess-free and weed-free. It's also a great value, because you don't pay for the shells. Contains shelled peanuts, sunflower kernels, tree nut pieces kernels, pecans, pistachios and shelled pumpkin seeds. Contains only the finest and freshest ingredients. Scientifically tested, developed and marketed to appeal to a wide variety of wild birds. Free of filler and waste. Better seeds and better quality mean more birds at your feeder - again and again!

Wild Bird Seed

Lyric® Fine Tunes No Waste Mix

100% edible nutrition – no waste, no fillers, no weeds. It is a nutritious blend of nuts and kernels, finely-cut for easier feeding and smoother flowing in bird feeders. Our fine-cut mix is easier to use and easier to eat. All shells and hulls are removed and the mix contains no fillers. Fine Tunes is a food all songbirds, especially smaller beaked birds, will truly enjoy! Contains sunflower kernels, almonds, roasted peanuts, pistachios, hulled white proso millet and pumpkin kernels.

Lyric® Wildlife Food

Lyric's Wildlife Food has been carefully crafted to attract a wide variety of wildlife to your yard. This special blend includes steam crimped corn which has been proven to be easier for some animals to digest. Ingredients like peanuts, black oil sunflower and peas are some of the other mix ingredients your backyard visitors will also enjoy. You can look forward to watching song birds like blue jays pick up peanuts in the shell and take them away for hiding, or squirrels and rabbits bound around your yard.

Birding Accessories

Bird Baths

API® Heated Bird Bath Basin (Pedestal Not Included)

Thermostatically controlled 150 watt heated bath. Comes with hardware which will mount the bath to almost any pedestal (stone or plastic) or any deck rail up to 12in wide.

Beige Finish - 150 watt, 20in Diam Basin

API600-6584 **UPC** 022102060003
Min. Buy 6EA **Retail** \$91.89

API® Heated Bird Bath with EZ-Tilt-to-Clean™ Deck & Pole Mount

Supplies ice-free water all winter long. Heating element is completely hidden beneath the birdbath surface and the power cord clips under the bath when heat is no longer needed. Simple but durable EZ-Tilt-to-Clean™ design easily tilts and lifts for cleaning or storing of the bath.

Stone Finish - 70 watt, 14in Diam Basin

API14B-4928 **UPC** 022102141009
Min. Buy 6EA **Retail** \$65.79

API® Heated Bird Bath with EZ-Tilt-to-Clean™ Deck Mount

Plastic, stone-colored heated bird bath designed to keep water ice-free all winter long. It is thermostatically controlled and tested to -20 degrees F. The gentle slope with strategically placed seam makes it easy for birds to perch to drink. Will not crack during cold conditions.

Stone Finish - 20in Diam Basin

API650-5955 **UPC** 022102650006
Min. Buy 6EA **Retail** \$79.49

API® Bird Bath De-Icer

120 Volts. Has a durable, non-stick coating, compact aluminum base in a low-profile design. Fins provide large surface area to make the unit run cooler while putting out the same amount of heat as conventional de-icers. Multiple thermostats allow efficient control while providing over-temperature protection. Safe to use in plastic bird baths.

250 Watt with 10ft Power Cord

APIBDT250-3527 **UPC** 022102111262
Min. Buy 6EA **Retail** \$49.29

API® Bird Bath De-Icer

120 Volts. Features a built-in thermostat for temperature control and over-temperature protection to keep your bird bath ice-free all winter long. A stainless-steel guard shields wildlife from contacting the heating element. Can be used in pottery, plastic, or concrete bird baths.

200 Watt with 15ft Power Cord

API300-4087 **UPC** 022102030006
Min. Buy 6EA **Retail** \$54.49

API® Lighted Aurora Water Wiggler®

Lights up at dusk and provides three hours of pleasing colors as the dome slowly shifts through the spectrum. Easy to install, no wiring and no plumbing. Just place in birdbath and go. Operates silently on two D-cell batteries for up to two months, 24 hours a day. May also be used with heated birdbath in winter. Features an action that creates continuous ripples in water, preventing mosquitoes from laying eggs in birdbaths and attracting birds. Helps prevent the spread of West Nile Virus by eliminating stagnant water in bird baths. Easy to install. Just place and go!

Bird Feeders

Nature's Way® Hopper Feeder With 2 Suet Cages

Holds 3 quarts of seed and 2 suet cakes, Made with Insect and rot resistant premium cedar, Extra spacing to accommodate large birds like Cardinals and Jays.

3qt - 10In H x 13In W x 8In D

NWBCWF28-2302 UPC 857907005078

Min. Buy 4EA Retail \$33.29

Nature's Way® Hopper Bird Feeder with Suet Cages

Made with premium cedar so it's naturally insect and rot resistant, ours is treated with a water-based, protective stain. It's designed to accommodate 6 full quarts of various seed mixes including sunflower seeds, mixed seeds and peanuts, along with two vinyl-coated wire mesh suet cages. This particular feeder design offers a wide opening for easy filling and no spilling, then diverts seed to the feeding area, giving birds easy access. The durable, rust-free stainless steel Fresh Seed Tray easily lifts out for cleaning and keeps seed fresh - preventing mold and bacteria growth - by allowing water to drain and air to flow freely. Extra spacing accommodates large birds like Cardinals and Jays. It attracts Cardinals, Grosbeaks, Titmice, Nuthatches, Chickadees, Finch, Jays, Juncos and Woodpeckers. The stay-clear, crack resistant weather shield and windows allow you to see the level of seed in the feeder and see through the feeder for better bird viewing. Including the vinyl-coated steel hanging cable, all hardware is rust-free and covered by a 3 year manufacturer's warranty. Our innovative design technology is combined with superior quality for ease-of-use and long-lasting durability.

Nature's Way® All-In-One Oriole Buffet

Simultaneously feed liquid nectar, jelly, and fruit to serve up an all-in-one buffet for your birds! This feeder comes with a clear protective baffle that can be assembled to the hanger to better shield the feeder from weather while maintaining optimal bird viewing. Three removable dishes allow for easier cleaning and replenishment of jelly or nectar at separate times, leading to a cleaner feeder and less wasted feed! A built-in ant moat deters these unwanted pests from reaching feed. Simply fill the cavity surrounding the hanger with water. Be sure to remove dead ants and any other debris from the moat often. This feeder comes with removable bee guards. Simply slip the guard over the base of the feeding port to prevent bees from reaching the nectar. Remove the guard for a more thorough scrub when cleaning the feeder to help prevent mold.

Nature's Way

Bird Houses

Nature's Way® Cedar Bluebird Box House

Bluebird Box House is made with premium cedar so it's naturally insect and rot resistant; treated with a water-based, protective stain. This particular design attracts bluebirds and tree swallows. Air vents allow for maximum air ventilation. An elevated mesh floor aids in the management of blowfly; it's crafted from durable, rust-free wire mesh. An added predator guard extends the entrance hole to protect young birds against predators. The innovative design can be installed with a pole mount or flush mount. Constructed using rust-free hardware and covered by a 3 Year Manufacturer's Warranty.

Keeps squirrels and jays busy and away from other feeders! Easy to fill! The outside diameter is 13in, inner diameter is 7in and the diameter of the spring only is 2.75in.

Black

BSPSE6019-1290 **UPC** 645194060197
 Min. Buy 6EA **Retail** \$19.99

Birding Accessories

Songbird Essentials® Window Hawk Transparent Decal

A static-cling decal that may be applied to home and office windows. The decal contains a component which brilliantly reflects ultraviolet sunlight. This ultraviolet light is invisible to humans, but glows like a stoplight for birds.

BSPSE7015-587 **UPC** 645194070158
 Min. Buy 1EA **Retail** \$8.69

Songbird Essentials® Squngee™ Deluxe Squirrel Feeder

Watch as a squirrel jumps on the corn, then, as they hold on to the cob and the spring, their weight causes them to bounce and swing back and forth, up and down approximately 12 to 18 inches while pulling out kernels.

BSPSESQUNGEE-998 **UPC** 833062001025
 Min. Buy 6EA **Retail** \$15.29

Hummingbird & Nectar Feeders

Songbird Essentials® Jelly/Jam™ Oriole Feeder

Fits 10 to 12 oz jelly or jam jars. Hanger system included. Complete with empty jelly jar. Easy to use. Easy to clean. Patented.

Bird Houses - Bat Houses

Stovall® Bachelor Pad Bat House

Features three chambers that can hold 30 to 100 bats. Made entirely out of 7/8in thick, western red cedar and are naturally well insulated. One bat can eat 6000 insects per night. The bat houses are a safe daytime shelter normally housing a small group of bats (6-24). Bats like to be warm to hot, so place the house in a sunny and sheltered area on a post, pole, dead tree, side of a building or chimney, but not on a live tree. These houses conform to the Bat Conservation International guidelines. Made with pride in Michigan.

8in L x 6.75in W x 20in H

SP9H-4355 UPC 894259002539

Min. Buy 1EA Retail \$60.29

Stovall® Nursery Bat House

Features three chambers that can hold 300 to 400 bats. Made entirely out of 7/8in thick, Western Red Cedar and are naturally well insulated. One bat can eat 6000 insects per night. Bats like to be warm to hot, so place the house in a sunny and sheltered area on a post, pole, dead tree, side of a building or chimney, but not on a live tree. These houses conform to the Bat Conservation International guidelines, make functional garden accents and are great gift ideas. Made with pride in Michigan.

Bee & Butterfly Houses

SuperMoss® Beneficial Bug House

Pollinators and beneficial bugs need a home in your garden! These houses are a fun and practical addition to your home garden. They are perfect for kids to learn about organic farming, predatory insects and pollinators. The houses harbor beneficial bugs that keep insects such as aphids off our plants. Pollinators use the houses to develop from egg to adulthood, where they can facilitate the reproduction of flowering plants! Help host these essential species right in your garden.

SuperMoss® Beneficial Bug House - Tulip

This house is particularly helpful for solitary bees, ladybugs, lacewings and earwigs.

SuperMoss® Beneficial Bug House - Heather

This house is particularly helpful for solitary bees. Solitary bees are typically stingless and are excellent pollinators. Since females depend on a hive for nesting, they must build one from hollow logs, rarely found in our gardens. Solitary bee populations are in serious decline and desperately need our help!

Assorted Colors: 2ea - Red & Chestnut, 1ea - Blue & Green, 5.5in L x 4.75in W x 7.5in H

Bee & Butterfly Houses

**Welliver Outdoors®
Decorative Mason Bee House**

Made with 3/4in cedar wood and assembled with rust resistant screws. This item is a fully functional bee house featuring replaceable corrugated nesting tubes.

Welliver Outdoors® Decorative Solitary Bee House

Help the conservation of solitary bees, one of the most highly effective pollinators of flowers, vegetables and fruit crops. This house provides replaceable paper tubes where the female bees can lay eggs from march to august. The larvae will develop over the winter months in the tubes and will emerge as adult bees the following spring. Tubes should be replaced after use or 1 or 2 seasons to prevent mite infestations. These bees are non-aggressive and cannot excavate their own holes, so they do not pose a danger to wooden structures. Solitary bees including Mason and Leaf-cutter bees typically nest in pre-made cavities such as woodpecker holes, insect holes and hollow stems, making this bee house a perfect choice to help increase pollination.

Wagner's® Nyjer Seed

The favorite seed of goldfinches everywhere. Nyjer seed (thistle seed) is the absolute favorite of finches, such as the American goldfinch, purple finch, pine siskin and other small songbirds. This tiny delicacy is used in finch feeders which have smaller holes and tiny perches - perfect for the finches but discouraging to larger birds. Ultimate choice for nurturing finches with its high fat and protein content. Nyjer seed is the only major wild bird food ingredient imported from overseas -- sometimes referred to as "Black Gold," Nyjer seed may seem more expensive than some premium blends.

Perky-Pet® Hobnail Vintage Hummingbird Feeder

You will love how beautiful the Perky-Pet® Hobnail Vintage Hummingbird Feeder will look hanging in your backyard. The glass bottle of this hummingbird feeder features antique hobnail details that are reminiscent of high-end glassware from the early 1900's. It has a subtle luster finish that lightly shimmers when hanging in the sunlight. Hummingbirds will be attracted to the four red flower feeding ports on the brushed copper base of this hummingbird feeder. With a 16 oz nectar capacity, your hummingbirds will always be well fed. Easily hang this feeder wherever you choose with the attached metal hanging hook. The wide mouth opening makes filling quick and convenient. The glass bottle and base detach when it's time to be washed, and with enough room to reach in all the tight spaces, cleaning is a breeze! We recommend cleaning your hummingbird feeders at least twice a week, and more often in hot and humid climates.

Perky-Pet® Antique Bottle Hummingbird Feeder

Features a bright, glass, nectar reservoir to get hummingbird's attention and draw them to your yard. The unique, square shape bottle holds a whopping 24oz of nectar. Simple embossed glass and a brushed base make this feeder an eye-catching addition to your backyard decor. Hummingbirds will love feeding from the four decorative flower feeding ports. The base easily comes apart and reassembles for cleaning.

Hummingbird & Nectar Feeders

Perky-Pet® Sapphire Starburst Vintage Hummingbird Feeder

It's all about the delicate details with the Perky-Pet® Sapphire Starburst Vintage Hummingbird Feeder. The unique hexagon shape of the vintage, blue glass bottle is embossed with starburst accents, making this feeder anything but standard. Complimented by a brushed nickel base and hanger, you will love the antique style of this attractive hummingbird feeder. The four flower feeding ports on the brushed nickel base will give your hummingbirds plenty of room to dine around this beautiful feeder. With a 16 oz nectar capacity, there will be plenty of nectar to go around. The attached metal hanging wire allows you to place your feeder in the best location for you to witness the wonderment of hummingbirds buzzing about! The wide mouth opening on the glass bottle makes filling super easy. No more trying to pour nectar into a tiny opening! The bottle and base come apart for easy cleaning, and with the wide mouth opening you can reach inside to make sure every nook and cranny is thoroughly cleaned for your hummingbirds. We recommend cleaning your hummingbird feeders at least twice a week, and more often in hot climates.

 Min. Buy 6EA Retail \$25.49

Perky-Pet® Carnival Glass Vintage Oriole Feeder

Featuring a shimmery, orange luster finish, this antique-style feeder will be a charming addition to your backyard. The Carnival Glass Vintage Oriole Feeder features a unique, circular, wrap-around perch that offers plenty of room for orioles to comfortably sit and dine. The four feeding ports on the brushed nickel base feature vibrant orange flowers with green leaves, resembling of the flowers orioles drink from in nature. The port openings are slightly larger than those of a hummingbird feeder to make room for an oriole's larger beak and tongue. Use the attached metal hanger to place your oriole feeder in a location that's easy for orioles flying by to see. The wide mouth nectar reservoir and base easily detach when it's time for cleaning.

16oz Capacity - 4 Feeding Ports

Perky-Pet® Oriole Jelly Feeder

Did you know that like hummingbirds, orioles have a sweet tooth? They do! What better way to attract them than by offering their favorite sweet treat – jelly! Other jelly feeders on the market expose the jelly to the elements, causing it to mold and spoil quickly. The Perky-Pet® Oriole Jelly Feeder has an inverted jelly jar, ensuring that your jelly is kept fresh and covered. The 32 oz jar can also be interchanged with most standard jelly jars. The built-in stirrer allows the perfect amount of jelly to be dispensed into the tray. In addition, this feeder boasts a vibrant orange color to draw more orioles to your yard!

32oz

Perky-Pet® Vine Oriole Feeder

With the Perky-Pet® Vine Oriole Feeder, attracting orioles to your backyard has never been easier. The feeder's bright orange accents make it easy for orioles to spot when passing overhead. Oriole won't be able to resist the flower-shaped feeding ports and vine-style perches inspired by nature. With three ports and a large 27 oz nectar capacity, you'll be able to accommodate plenty of hungry orioles.

27oz Capacity

Perky-Pet® Fruit Trio Oriole Nectar Feeder

This unique feeder not only holds nectar but it also includes a jelly cup and orange spike, which attach to the ports so you can serve up an orange slice and a sampling of jelly. To protect your nectar from insects, this oriole feeder comes complete with a built-in ant moat and bee guards. To use the ant moat, simply fill the top of the cap with water to prevent ants from crawling down the feeder to access the ports. For easy filling and cleaning, the Perky-Pet® Fruit Trio Oriole Nectar Feeder features a convenient, wide-mouth opening. Plus, the clear glass bottle allows you to easily monitor nectar levels at a glance so your orioles never run out! Use the built-in hanging hook to hang the feeder anywhere around your yard where you can easily view the bird-feeding action.

Birding Accessories

Perky-Pet® Beaded Copper Hummingbird Swing

The Perky-Pet® Beaded Copper Hummingbird Perch is an elegant addition to your array of hummingbird accessories. Simply hang near your feeders or close to nectar-producing flowers and soon you'll see the little dynamos making use of it. Hummingbirds will use the perch to wait for an opening at your feeder and flowers or to take a break after they've had their fill of nectar. It's also good to position one of these perches near water sources, since birds of different species will often avoid congregating in bird baths at the same time.
