Axxe		X	X	X		X	S	Ammonium Nonanoate	OMRI listed herbicide labeled for greenhouse use. Nonselective contact burndown of weeds
Barricade	X		X	X			S	Prodiamine	Preemergent Sprayable herbicide for use in nurseries, turf, landscapes & noncrop areas
Basagran T&O		X	X		X		S	Bentazon	Contact herbicide for use in turf, nurseries, ornamentals & noncrop areas
Biathlon	X		X	X			G	Oxyfluorfen, Prodiamine	2 Active ingredients that control broadleaf & grassy weeds in nurseries and noncrop areas
Broadstar G	X		X	X			G	Flumioxazin	Granular for use in nurseries and landscapes. Same active ingedient as Sureguard
Casoron G	X	X	X	X	X		G	Dichlobenil	Controls tough weeds like Thistle, Horsetail, and Nutsedge. For use on woody ornamentals and noncrop areas
Cheetah Pro		X	X	X	X	X	S	Glufosinate Ammonium	Contact non-selective herbicide for use in nurseries, greenhouses, turf & noncrop areas
Confront		X	X				S	Clopyralid, Triclopyr	Broadleaf turf herbicide
Dimension	X		X	X			S	Dithiopyr	Sprayable for use in nurseries, turf, landscapes & noncrop areas
Envoy Plus		X		X		X	S	Clethodim	Postemergence control of annual & perennial grasses
Finale		X	X	X	X	X	S	Glufosinate-Ammonium	Contact non-selective herbicide for use in nurseries, greenhouses, turf & noncrop areas
FireWorxx		X	X	X		X	S	Capric and Caprylic Acid	Rapid contact non-selective herbicide for use in nurseries, greenhouses, landscape & noncrop areas
Fortress	X		X	X			G	Isoxaben, dithiopyr	Combination product with the active ingredients from Gallery and Dimension. Broad spectrum control of weeds, but with a safe profile for sensitive shrubs and perennials
Freehand G	X		X	X	X		G	Dimethenamid-P, Pendimethalin	2 Active ingredients that control broadleaf & grassy weeds and yellow nutsedge
Fuerte G	X		X	X			G	Flumioxazin, Prodiamine	Preemergent granular herbicide with two active ingredients for use in nurseries and landscape ornamentals
Fusilade II		X		X			S	Fluazifop	Postemergence control of annual & perennial grasses
Gallery SC	X		X				S	Isoxaben	Sprayable for use in nurseries, turf, landscapes & noncrop areas. Excellent crop safety
Gemini SC	X		X	X			S	Isoxaben, Prodiamine	Combination product to control wide array in containers and field ornamentals.
Goal	X	X	X	X			S	Oxyfluorfen	For use on conifers & certain woody ornamentals. Contact burn and preemergence control
Lontrel T&O		X	X				S	Clopyralid	Excellent on thistle. Sprayable for use in landscapes, nurseries & turf
Marengo SC	X		X	X		X	S	Indaziflam	Long lasting preemergent control of weeds in nurseries and greenhouses.
Marengo G	X		X	X			G	Indaziflam	Long lasting herbicide for broadcast applications in nurseries
OH2	X		X	X			G	Oxyfluorfen, Pendimethalin	Granular for container and field grown ornamentals
Pendulum Aquacap	X		X	X			S	Pendimethalin	Sprayable for use in landscapes, nurseries & noncrop areas
Pennant Magnum	X		X	X	X		S	Metolachlor	Sprayable for use in nurseries, landscapes & noncrop areas. Preemergent control of yellow nutsedge
Pramitol 25E	X	X	X	X			S	Prometon	Long lasting vegetation management. Residual control of most weeds for 1+ years
Preen Plus	X		X	X			G	Isoxaben, Trifluralin	Granular herbicide with 2 active ingredients. Labeled for use in nurseries, landscapes
Ranger Pro		X	X	X	X	X	S	Glyphosate	Sprayable nonselective systemic postemergent control of most weeds. Roundup equivalent.
RegalStar	X		X	X			G	Oxadiazon, Prodiamine	Can be applied to woody ornamental shrubs, vines, trees, and evergreens in field and container nurseries and landscapes
Reward		X	X	X		X	S	Diquat	Sprayable non-selective contact control of most weeds. Rapid burndown
Ronstar FLO	X		X	X			S	Oxadiazon	Active on shoots only with no root activity
Roundup ProMax		X	X	X	X	X	S	Glyphosate	Improved formulation of glyphosate with concentrated surfactant
Roundup QuikPro		X	X	X			S	Glyphosate, Diquat	Contains Roundup for systemic control and diquat to deliver rapid burndown
Scythe		X	X	X		X	S	Pelargonic acid	Sprayable non-selective contact control of most weeds
Sedgehammer Plus		X			X		S	Halosulfuron-methyl	Postemergence control of Nutsedge for use in turf, landscapes, & noncrop areas
Segment II		X		X			S	Sethoxydim	Selective control of grassy weeds in nursery and landscape crops
Snapshot	X		X	X			G	Isoxaben, Trifluralin	Granular for use in nurseries, landscapes and noncrop areas
Sureguard SC	X	X	X	X		X	S	Flumioxazin	Labeled for use in nurseries, landscapes and noncrop areas. Contact burndown and preemergence control
Tower	X		X	X	X		S	Dimethenamid-P	Controls broadleaf & grassy weeds and sedges in nurseries and landscapes
Treflan G	X		X	X			G	Trifluralin	Granular for use in nurseries, landscapes and noncrop areas
Vessel		X	X				S	2,4-D, Dicamba	3-Way broadleaf herbicide for turf and noncrop sites
