Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

TAGS: All Proven Winners® and Proven Selections® plant material comes with one tag per plant. Each individual tag contains legal and growing/cultural information needed to sell that product. Tag exchange is available for larger container or combo/mono hanging basket production.

Branded Containers/Proven Package Program

Beginning with the Spring 2022 selling season, all Proven Winners® annuals must be sold in Proven Winners® branded containers or use the Tag Exchange Program. If a container size is not chosen, or Tag Exchange Program is not used, then a default 4.25 Grande™ co-ex container will automatically be included for each plant ordered along with the appropriate number of 10-count trays.

Due to the unpredictable nature of plastic prices, we cannot guarantee container prices will not change throughout the year. However, container prices are locked in when you place your order. For questions or additional program details, please contact your Plant Connection Sales Rep.
