Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Propagation

All forms of propagation—whether with stock plants or from tip cuttings or otherwise—are strictly prohibited unless such propagation has been explicitly agreed to by Syngenta Flowers, LLC in a propagation license agreement with Syngenta Flowers, LLC. Production for "flowering only" is subject to the Flowering Only License (see <https://www.syngentaflowers-us.com/flowering-only-license>). Some or all of the varieties in an order may be protected under one or more of the following: Plant Variety Protection, Plant Patents, or Utility Patents. The varieties in an order may not be propagated or reproduced without express authorization of Syngenta Flowers, LLC. Unlicensed propagation of the varieties is strictly prohibited. Receipt of the varieties by customer constitutes agreeing to these terms.

Please note that BFG's standard terms and conditions apply to any order.
