Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

Shipping Information:

- **Pickup:** Kube Pak is open Tuesday & Wednesday from 9am – 4pm and Thursday from 9am – 12 noon. Kube Pak is open for pick-up on Saturdays from 9am – 11:30am from February until the end of May. All orders must be picked up or shipped by Thursday at 5:00pm. Orders not

shipped by this time will be subject to a handling charge of \$2.00/tray. This is due to the additional expense of moving material to another area of the greenhouse in preparation for the following week's shipping

- **Grower Truck:** Ten tray minimum for truck delivery. Minimum truck freight charge. Subject to Truck Availability.
- **FedEx:** If orders cannot ship via Kube-Pak Grower Truck we will use FedEx Ground and Air Service. Kube-Pak will ship using FedEx Ground service for all customers inside the Ground 1 and 2 day service areas. See the map to the right for approximate FedEx service areas from Kube-Pak.

(Please call to confirm as the map only provides an approximation). Customers outside these areas will ship FedEx 2nd Day Air unless weather dictates Next Day Air. FedEx Air Shipping Charges are based on the FedEx Air service charge plus a boxing charge. See details below. For orders that cannot ship via Kube-Pak Grower Truck and are 30 trays or more, FedEx Less-Than-Trailerload (LTL) Freight service is an option and provides improved rates. Call for more information on this service.
