Plant Connection Claims Policy: All shipping claims must be filed within 24 hours of receipt of goods from the carrier. Please note any damages due to carrier mis-handling and/or extreme weather conditions. All claims due to quality or shortages must be filed within 72 hours of receipt of goods from the carrier. Please contact the Plant Connection office at 800-883-0234 or your Plant Connection sales rep to place all claims. Failure to follow these steps may void your credit claim. Taking photos of the damaged material, while not required by each vendor, is an excellent way to support your claim

Warranties: As BFG acts exclusively as a broker for the vendors, and is not responsible in any way for the quality of the product or shipping the product to you, all warranties shall be the sole responsibility of the vendor and subject to the terms stated in any warranties supplied by any vendor to you. BFG makes no other warranty of any kind, express or implied, including any warranty of fitness of the product for any particular purpose (even if that purpose is known to BFG).

Disclaimer: The BFG Plant Connection ("BFG") acts exclusively as a broker for the vendors, and is, therefore not responsible in any way for the quality of the product or shipping the product to you. Accordingly, while BFG makes every attempt to insure your order is processed in a timely manner, we cannot be held responsible for the quality, condition or timeliness of your order, or for situations outside of our control. Under no circumstances shall BFG be liable for any damages to you relating to your order, and specifically disclaims any damages to you, including but not limited to actual damages, special, incidental, indirect or consequential damages, loss of crops or any profit."

Please note that BFG's standard terms and conditions apply to any order.

D.S. Cole Ordering Information

Minimum Order: 600 plants

- If necessary to order less than 600 plants per shipment, a \$12.00 charge will be applied

Tray size: A) "Strip tray 50" are shipped and billed as 50 cells, includes some Begonias, Geraniums, Alstroemeria, Patio Gerbera and Helleborus. B) 51 count trays are shipped as 51 cells and billed as 50. C) Super 50 Tray are shipped and billed as 50. D) 32 count trays are shipped and billed as 32.

Pre-finished product: Orders for pre-finished crops such as potted Citronella, Cyclamen, Fuchsia or Mums must be on an order separate from liners.

Tags: We ship tags with all young plants. This is included in the price. Tags are optional per order. Customers can choose to opt out of tags, and they will not be charged for them.

Royalties: Royalties are included in the price of the plant where applicable

Lead Time for Cancellations/Additions: Any additions, deletions or a change of the ship via to existing orders must happen by Wednesday prior to the ship week. No cancellations after the product has been stuck.

Filling Boxes: D.S. Cole has a number of box sizes available to make most combinations of varieties fit well without wasted space. In general, it is best for an entire shipment to total numbers in even hundreds, rather than 50's. For example, space is typically better utilized when the plant quantity is 1200, 1300 or 1400 rather than 1250, 1250 or 1450.

Packing Charge: Charges will apply any time boxing is needed including customer pickup and truck deliveries if boxing is required.

Multi-liner Format (Trixi, Kwik Kombos, Durabellas etc.): We no longer stick 3 cuttings in the same cell to create a multi-liner. The components are stuck individually, each in their own cell and then shipped together with each tray being identified with its appropriate multiliner tag.

For example, when a customer orders 50 Trixis of Old Glory, they will receive three 51 count trays: 51 cells each of Neo Dark Blue, Neo Vampire and Neo White Calibrachoa. Each tray will have a tag identifying it as part of an Old Glory Trixi.

The entire Trixi package will end up being more expensive than the old method of sticking 3 cuttings per cell, however, we have found that by planting a total of 6 plants per hanging basket using this new method, the customer will get a better basket and actually save money.

Claims: Must be submitted within 2 days upon receipt of product. This includes quality claims as well as freight and mishandling issues. It is important to provide photos of the plants if there are problems. This helps us understand the issue.
